

Socially-conscious

Sounds Connection is part of the wider community. We live and work in Marlborough and we care about the region and its locals.

As such we are very supportive of local schools, community groups and events, including:

- Donating cruise and tour vouchers to local schools, local sports groups, the local SPCA and the Cancer Society for fundraisers;
- Sponsoring local events and organisations such as the Picton Football Picnic Fundraiser, the Waitohi Rugby Club and the Tokomaru Netball Club
- Supporting funding for environmental projects such as the regeneration of the Para Wetlands near Picton. You can read more about this magnificent project [here](#).

-We provide subsidised rates to support activity in local schools and childcare providers

Organisations and events Sounds Connection has supported include the following, among others:

SPCA fundraiser auction

More FM - Midwinter Swim

Picton school fundraiser

Waitohi Rugby Club

Marina2Marina
